

Addiction Medicine Physician Opportunity in New Orleans, Louisiana

Addiction Recovery Resources, Inc and Biobehavioral Medicine Corporation are seeking an Addiction Medicine physician to join our practice. Our candidate will be joining a city that is experiencing exciting recovery, and an organization that is expanding. We are seeking a candidate with a passion for our cause and an interest in contributing to the continuing growth of our city and organization.

Our organization, Addiction Recovery Resources, provides a continuum of innovative services, including outpatient addiction medicine services and therapy, ambulatory detoxification, residential treatment, intensive outpatient treatment (IOP), and continuing care. To learn more about our organization, please review us at www.arrno.org. The medical practice, Biobehavioral Medicine, sees patients on a Dual Diagnosis detox unit and answers Addiction Medicine consults at a med-surg hospital. We follow the patients of Addiction Recovery Resources and see private patients for medication management and addiction assessments and treatment.

The candidate must be ASAM certified or eligible and preferably Board Certified by ABAM. We offer competitive compensation and a generous benefits package. Interested persons should forward letter of interest and CV to either Medical Director, Dr. Ken Roy, at kenroymd@arrno.org, or Executive Director, Eric Odom, at eric.odom@arrno.org.
