

Aurora Psychiatric Hospital (APH), located in Milwaukee, Wisconsin is seeking to add a physician with training in treatment of addictive disorders to our expanding practice group. Candidate must be BC/BE in psychiatry and eligible for ABPN Certification in Addiction Psychiatry, ASAM certification eligible, or fellowship trained in addictive disorders. The candidate will join a group of experienced, nationally prominent addiction psychiatrists. APH programs provide all levels of addiction care for adults, as well as inpatient, intensive outpatient, and outpatient addiction care for adolescents, all on our beautiful 30-acre campus. Innovative treatment programs emphasize integrated & dual diagnosis care. Teaching and research are encouraged. We offer a competitive salary and generous benefit package. Apply on line at www.aurorahealthcare.org or email your CV to judy.nelson@aurora.org. For additional information please call Judy Nelson, Physician Recruiter at 800-307-7497 Ext 15
