

Internal Medicine or Family Practice Physician

Located in Jacksonville, FL, Lakeview Health Systems is a JACHO accredited facility specializing in the treatment of chemical dependency, dual diagnoses, alcoholism and associated mental disorders. The Lakeview Health Systems alcohol and drug addiction treatment center was created to provide those persons suffering from drug addiction, alcoholism and dual disorders with a suitable drug rehab environment in order to produce quality long term recovery. The touchstone of Lakeview's addiction treatment center is found in our ability to separate symptoms from core issues, while effectively treating the whole person.

We are currently seeking a dynamic Board Certified Internal Medicine or Family Practice Physician to join our medical team. In this position you will be responsible for providing high quality patient care that meets or exceeds the standards and guidelines recommended by JCAHO and other regulatory and payer groups. The Physician reports directly to the Chief Operating Officer of the company.

A valid state of Florida Medical License, DEA License, Professional Liability Insurance, evidence of Board certification and ASAM or APA certified or eligible will be required. Experience in addiction, chemical dependence and psychiatric care is a plus. Must provide a current curriculum vitae and continuing medical education units for the previous two (2) years and have the training to provide a high standard of care to adult patients.

Lakeview Health Systems offers competitive salaries and excellent benefits including 401-k with match. If interested please email resume to trice@lakeviewhealth.us or fax to 904-899-4538.
