

Mercy Recovery Center, part of Mercy Hospital, is seeking an additional physician to join our practice. We are the largest substance abuse treatment center in Maine, offering inpatient and outpatient programs for adults.

At Mercy Recovery Center, we are committed to treating our patients with respect, and the understanding that addiction is an illness. We encourage the participation of key family members at the appropriate point in treatment, while remaining committed to patient confidentiality. We are member of the NIDA's clinical trial network.

The clinician provides medication management consultative services to adolescent through geriatric patients with chemical dependency and mental health issues.  
M.D. or D.O. required.

Portland is a vibrant city with one of the few working waterfronts remaining in the United States. Our residents enjoy a New England lifestyle with the amenities of a larger metropolitan area. The lively Old Port area is bustling with galleries, unique shops, and a world class Art Museum. We are famous for our lobster bakes and world class restaurants. From the lakes to the ocean to the mountains for hiking or skiing Portland has it all close by. We live and work in one of the most desirable locations in the country!

For More information on this opportunity please contact Ed de Oliveira via email at [deoliveirae@mercyme.com](mailto:deoliveirae@mercyme.com) or 207.553.6092

Physicians interested in the Lead Physician role for the group will be strongly considered. Service call is shared amongst the four physicians on a rotating basis
