

MEDICAL DIRECTOR OPPORTUNITY

ADDICTION MEDICINE

Exceptional opportunity just one hour from Philadelphia to serve as the Medical Director of a nationally recognized addiction treatment facility. This impressive and stately campus offers upscale accommodations on a serene 40 acre estate to ready patients for a clean and sober life through the Twelve Step philosophy of recovery. Physicians utilize psychodrama, art and music therapy, Reiki, relaxation, pastoral services, adventure-based counseling, yoga and equine therapy to treat patients. There is also a unique recovery program for addicted mothers and their children on campus.

The Medical Director will conduct initial patient examinations, obtain medical histories and provide leadership and direction for the medical staff. He or she will also promote the organization's image and participate in creating and implementing policies, budgeting and planning of medical services. The ideal candidate will have a personal understanding of the disease of chemical addiction and be ASAM certified. This attractive location offers easy access to Philadelphia, Baltimore, the Pocono Mountains, the Jersey Shore and New York City. An attractive compensation and benefits package commensurate with experience and qualifications is being offered.
