I work on the addiction medicine exam committee for ABPM - there are mutual interests.

I also work for Geisinger, which does business with ASAM (has contracted for educational services). Geisinger has also considered using CONTINUUM or Co-TRIAGE. I have recused myself from the Geisinger discussions about these products.

Q3 List any business or organization that you or an immediate family member have an interest that competes with ASAM's products or services, describe the relationship and the level of interest [refer to definitions on page 1].

There are times that I am asked to do trainings within Geisinger and within PA that would be similar to offerings that ASAM has. Generally, I am not paid to do these.

Q4 List organizations and your role for which you serve as an officer, trustee or director of, or are involved in public representation and advocacy (including lobbying) on behalf of any organization other than ASAM or an ASAM Chapter.

I lobby on behalf of Geisinger and it's interests in addiction medicine.

Q5 Please indicate below if you or an immediate family member have any interest that derives from service/status as an officer, trustee, director, proprietor, partner, (full or part-time) employee, grant recipient, or consultant for any health care or health-related business or organization.

I received my salary from Geisinger, which would be a substantial interest.

I also have consulted for Addiction Solutions in the last 12 months.

Q6 Please list below any interests, affiliations, arrangements or relationships that you or your immediate family members have that could lead to questions about your motives in connection with your work on behalf of ASAM if such interest were made public.
