The ASAM State of the Art Course in Addiction Medicine

October 6 - 8, 2016

The course provides attendees with cutting-edge information and insights into developments in the field. Registration fee includes a three-day curriculum that showcases national experts and top leaders of federal agencies, cutting-edge research, clinical studies and best practices in addiction medicine, exclusive limited offering once every two years to ensure each event presents true advances in the field, special audience interactions in a single plenary session, on-the-go access to the syllabus and the full color slides through a mobile app.

PRE-CONFERENCE COURSES

The ASAM Buprenorphine Course - LIVE

Wednesday, October 5, 2016 | 1:00 pm - 5:30 pm

Course registrants will be emailed a link with access to online portion of the course 8 weeks in advance. The online learning modules and quiz must be completed before attending the face-to-face classroom education on October 5. Certificates of attendance and CME Certificates will only be awarded to registrants who complete all 8 hours of the course.

NOTE: The ASAM Buprenorphine Course registration DOES NOT include the State of the Art course Registration. You must register in advance.

On-site Live Course
Cost per person: \$199

Live Webinar
Cost per person: \$199

Opioid Prescribing: Safe Practice, Changing Lives

Wednesday, October 5, 2016 | 6:30 pm - 9:00 pm

The Opioid Prescribing course reviews safe prescribing habits and examines the difference between extended release/long acting medications to help ensure patient safety and effective pain management. National experts will use lectures, case examples, and interactive audience activities to explore common clinical challenges that arise when treating patients on opioid medications. This course is available onsite at the Washington Hilton or remotely via live-webinar.

NOTE: The Opioid Prescribing course registration DOES NOT include the State of the Art Course Registration. You must register in advance or on site.
