July 30 – August 1, 2015
Hilton Orlando Bonnet Creek
Orlando, FL

Bonus Features:
- Outstanding Presentations by Experts, Authors, and Leaders in Addiction Medicine
- Strategic Curriculum Mapped to the ABAM Examination Blueprint
- Exclusive Access to the 2015 Board Examination Study Tool - the BEST
- New - Fast-paced Board Exam Practice Questions
- Extensive Printed and Electronic Syllabus
- Thursday Night Networking Reception with Colleagues and Experts
- Two Timely and Valuable Pre-Course Offerings with additional CME

Pre-courses - Wednesday, July 29, 2015

Approved for AMA PRA Category 1 Credits™
Overview

The ASAM Board Review Course in Addiction Medicine is widely recognized as the essential primer for physicians and other health care professionals who are preparing for a career in addiction medicine, as well as for primary care providers who wish to increase their skills in identifying and managing patients whose medical problems are caused or exacerbated by substance use disorders.

The course offers three days of sessions which are mapped to the ABAM blueprint of topics for the exam and features an outstanding faculty. Over 800 professionals attended the 2014 ASAM Review Course in September 2014 in Orlando, Florida. ASAM’s Review Courses have had a major impact on advancing a common base of scientific knowledge among physicians and other health care professionals.

Learning Objectives

Upon completion, participants should be able to:

- Demonstrate practical knowledge the neurobiology of addiction and articulate its activity in terms useful in a clinical setting
- Describe the effects of alcohol, tobacco and other drugs in both tolerant and non-tolerant individuals
- Describe the process for diagnosing addiction and differentiating the symptoms of addiction from those of other medical or psychiatric disorders
- Explain the various pharmacologic and psychosocial treatments for addictive disorders, and describe the factors that should be considered in selecting a treatment modality to match a particular patient’s needs
- Describe the precipitants of relapse and current evidence-based practices to prevent and manage relapse.

Review Course Program Planning Committee

Petros Levounis, MD, MA, FASAM, Chair - Course Director
Rutgers New Jersey Medical School, New York, NY

Abigail Herron, DO, Vice-Chair - Course Director
The Institute for Family Health, New York, NY

Paul H. Earley, MD, FASAM
Early Consultancy, LLC, Atlanta, GA

David Galbis-Reig, MD
Wheaton Franciscan Healthcare, Kenosha, WI

Edwin A. Salsitz, MD, FASAM
Mount Sinai Beth Israel, New York, NY

Kenneth Thompson, MD, FASAM
Caron Treatment Centers, Strasburg, PA

Faculty Presenters

Petros Levounis, MD, MA, FASAM
Abigail Herron, DO
Timothy K. Brennan, MD, MPH
Paul H. Earley, MD, FASAM
Mirela Feurdean, MD
Timothy Fong, MD
David Galbis-Reig, MD

Stuart Gitlow, MD, MPH, MBA, FAPA
James W. Finch, MD, FASAM
David Mee-Lee, MD
Cara Poland, MD, MEd
Ricardo Restrepo, MD, MPH
Edwin A. Salsitz, MD, FASAM
Kenneth Thompson, MD, FASAM
Timothy Wiegand, MD
Erin Zerbo, MD

The American Board of Addiction Medicine

The American Board of Addiction Medicine (ABAM) is a separate entity from the American Society of Addiction Medicine (ASAM). ABAM certifies addiction medicine physician across a range of medical specialties. It is an independent specialty board established in 2007. The upcoming Board Examination for Addiction Medicine is October 17, 2015. Visit www.abam.net for more information.

Excellent course! My patients will definitely benefit.

Wednesday, July 29, 2015

Pre-Courses
11:00 am – 8:00 pm
Registration Open
12:00 pm – 5:00 pm
Tabletop Exhibits/Set-up
12:30 pm – 4:45 pm
The ASAM Buprenorphine Course
5:45 pm – 9:00 pm
ER/LA Opioid REMS Course

Thursday, July 30, 2015

Foundations of Addiction Medicine
6:45 am – 7:45 am
Mutual Help
7:00 am – 7:45 am
Continental Breakfast
7:00 am – 6:30 pm
Registration Open
7:00 am – 6:30 pm
Tabletop Exhibits Open
7:45 am – 8:00 am
Introduction and Opening Remarks
Petros Levounis, MD, MA, FASAM; Abigail Herron, DO
8:00 am – 8:45 am
Session 1: Alcohol
Ricardo Restrepo, MD, MPH
8:45 am – 9:30 am
Session 2: Sedatives
Ricardo Restrepo, MD, MPH
9:30 am – 10:15 am
Session 3: Opioids
Edwin A. Salsitz, MD, FASAM
10:15 am – 10:45 am
Refreshment Break
10:45 am – 11:30 am
Session 4: Tobacco
Timothy K. Brennan, MD, MPH
11:30 am – 12:15 pm
Session 5: Cannabis
Petros Levounis, MD, MA, FASAM
12:15 pm – 1:15 pm
Lunch (Grab-N-Go available for purchase)
1:15 pm – 1:30 pm
Board Exam Practice Questions with Audience Response System (ARS)
Paul Earley, MD, FASAM
1:30 pm – 2:15 pm
Session 6: Stimulants
Petros Levounis, MD, MA, FASAM
2:15 pm – 2:30 pm
Session 7: Other Classes of Drugs
Erin Zerbo, MD
3:00 pm – 3:30 pm
Refreshment Break

Friday, July 31, 2015

Assessments and Treatments
6:45 am – 7:45 am
Mutual Help
7:00 am – 7:45 am
Continental Breakfast
7:00 am – 6:30 pm
Registration Open
7:00 am – 6:30 pm
Tabletop Exhibits Open
7:45 am – 8:00 am
Remarks and Board Exam Practice Questions with Audience Response System (ARS)
Petros Levounis, MD, MA, FASAM; Abigail Herron, DO; Paul Earley, MD, FASAM
8:00 am – 8:45 am
Session 9: History of Addiction Treatment
Stuart Gitlow, MD, MPH, MBA, FAPA
8:45 am – 9:30 am
Session 10: The Neurobiology of Addiction
Edwin A. Salsitz, MD, FASAM
9:30 am – 10:15 am
Session 11: Epidemiology
Cara Poland, MD
10:15 am – 10:45 am
Refreshment Break
10:45 am – 11:30 am
Session 12: Definitions, the ASAM Criteria and the DSM-5
David Mee-Lee, MD
11:30 am – 12:15 pm
Session 13: Cognitive Behavior Therapy & Motivational Interviewing
James W. Finch, MD, FASAM
12:15 pm – 1:15 pm
Lunch (Grab-N-Go available for purchase)
1:15 pm – 1:30 pm
Board Exam Practice Questions with Audience Response System (ARS)
Paul Earley, MD, FASAM
1:30 pm – 2:15 pm
Session 14: 12-Step Facilitation and Other Psychosocial Interventions
James W. Finch, MD, FASAM
2:15 pm – 3:00 pm
Session 15: Psychiatric Co-Morbidities
David Galbis-Reig, MD
3:00 pm – 3:30 pm
Refreshment Break
3:30 pm – 4:15 pm
Session 16: Medical Co-Morbidities
Cara Poland, MD, MEd
4:15 pm – 4:30 pm
Board Exam Practice Questions with Audience Response System (ARS)
Paul Earley, MD, FASAM
4:30 pm – 5:30 pm
Day 2 – Expert Panel Discussion and Q&A

Saturday, August 1, 2015

Special Populations and Topics
6:30 am – 7:30 am
Mutual Help
7:00 am – 7:30 am
Continental Breakfast
7:00 am – 10:30 am

Timothy K. Brennan, MD, MPH
12:45 pm – 1:00 pm
Day Three – Expert Panel Discussion and Q&A

Note: The order of presentations and faculty presenters may vary.
Section I: FOUNDATIONS OF ADDICTION MEDICINE

Session 1: Alcohol
- Alcohol
- Pharmacological Interventions for Alcohol Dependence

Session 2: Sedatives
- Benzodiazepines, Benzodiazepine Receptor Agonists, Barbiturates and Other Sedative-Hypnotics
- GHB
- General Principles in Management of Intoxication and Withdrawal
- Management of Alcohol Intoxication and Withdrawal
- Management of Sedative-Hypnotic Intoxication and Withdrawal

Session 3: Opioids
- Opioids (Opium, Heroin, Prescription Opioids)
- Management of Opioid Intoxication and Withdrawal
- Pharmacological Interventions for Opioid Dependence

Session 4: Tobacco
- Nicotine and Tobacco
- Management of Other Drug Intoxication and Withdrawal (Nicotine)
- Pharmacological Interventions for Tobacco Dependence

Session 5: Cannabis
- Cannabinoids
- Management of Other Drug Intoxication and Withdrawal (Cannabinoids)

Session 6: Stimulants
- Cocaine, Amphetamine and Other Stimulants
- MDMA
- Management of Other Drug Intoxication and Withdrawal (Cocaine, Stimulants)

Session 7: Other Classes of Drugs
- Hallucinogens (LSD, Mescaline, Psilocybin, and Other Hallucinogens)
- Dissociatives (Phencyclidine, Ketamine, Dextromethorphan and Other Dissociatives)
- Inhalants (Nitrous Oxide, Hydrocarbons and Other Inhalants)
- Anabolic Steroids
- Management of Other Drug Intoxication and Withdrawal (Phencyclidine, Hallucinogens, Dissociatives, Inhalants, Steroids)
- Pharmacologic Interventions for Other Drug Dependence
- Pharmacological Interventions for Non-Substance Related Addictions

Session 8: Behavioral Addictions
- Non-substance Addictions: Gambling, Sex, Food
- Pharmacological Interventions for Non-Substance Related Addictions

Section II: ASSESSMENTS AND TREATMENTS

Session 9: History of Addiction Treatment
- History of Addiction Medicine
- Treatment of Alcohol Use Disorders
- Treatment of Drug Use Disorders
- Linking Addiction Treatment With Other Medical and Psychiatric Treatment
- Alternative Therapies for Alcohol and Drug Addiction
- Non-Substance Addictions: Gambling, Sex, Food
- Treatment Needs of Children and Adolescents
- Treatment Needs of Seniors
- Quality Management in Addiction Treatment
  ◦ Outcome Measurement
  ◦ Satisfaction Measurement
  ◦ Performance Evaluation

Session 10: The Neurobiology of Addiction
- Animal Models of Addiction
- Neuropharmacology
  ◦ Acetylcholine
  ◦ Norepinephrine
  ◦ Dopamine
  ◦ Serotonin
  ◦ Gamma-Aminobutyric Acid (GABA)
  ◦ Glutamate and NMDA Receptors
  ◦ Other Amino Acids and Peptides
  ◦ Endogenous Opioids
  ◦ Endocannabinoids
- Cellular and Molecular Mechanism in Addiction (Including Neuro-Adaptation, Epigenetic Phenomena, etc.)
- Neuro-Imaging of Addiction and Related Phenomena (Craving, Relapse, Recovery, etc.)

Session 11: Epidemiology
- Epidemiologic Associations and Interpretation
- Biostatistics
  ◦ Vital Statistics and Demography
  ◦ Describing Data
  ◦ Hypothesis Testing
  ◦ Meta-Analysis
  ◦ Measurements of Morbidity and Mortality
- Incidence, Prevalence, and Initiation

Session 12: Definitions, the ASAM Criteria & the DSM-5
- Definitions
  ◦ Addiction
  ◦ Addiction Medicine
  ◦ Unhealthy Use
  ◦ Dependence
  ◦ Withdrawal
  ◦ Detoxification
  ◦ Substance-Related Disorders
  ◦ ICD-10 Diagnostic Categories
- ASAM Patient Placement Criteria and Appropriate Use of Levels of Care

Session 13: Cognitive Behavior Therapy & Motivational Interviewing
- Psychological Aspects of Alcohol and Drug Use, Intoxication and Addiction (Including “Set and Setting,” Placebo and Expectation)
- Patient Engagement and Securing Treatment Entry
- Motivating Patients to Change
- Individual Psychotherapy
- Cognitive Behavioral Therapy
  ◦ Relapse Prevention
  ◦ Community Reinforcement and Vouchers
  ◦ Contingency Management
  ◦ Matrix Model

Session 14: 12-Step Facilitation & Other Psychosocial Interventions
- Group Therapy
- Self-Help Groups
  ◦ Twelve-Step programs and 12-Step Facilitation Therapies
  ◦ Other Self-Help Programs
- Couples and Family Counseling, Therapies and Interventions
- Residential Treatment and Therapeutic Communities
- Treatment Retention and Chronic Disease Management
- Comprehensive Case Management (Use of Integrated Medical Care and Supplemental Services for Persons with Chronic, Persistent Addiction)
- Translating Research to Practice
- Principles of Integrating Behavioral and Pharmacological Treatment
Session 15: Psychiatric Co-Morbidities
- Neuropsychological Dysfunction (Problems With Attention, Memory, Learning, Executive Function)
- Substance-Induced Mental Disorders
- Affective Disorders
- Posttraumatic Stress Disorder
- Other Anxiety Disorders
- Psychotic Disorders
- Attention Deficit/Hyperactivity Disorder
- Eating Disorders
- Personality Disorders

Session 16: Medical Co-Morbidities
- Management of Alcohol and Drug Withdrawal Among Those Hospitalized for an Acute Co-Morbid Condition (Including Critical Care Detoxification)
- General Medical Evaluation and Management
- General Medical and Surgical Complications
  - Cardiovascular Consequences
  - Hepatic Disorders
  - Other Gastrointestinal Disorders
  - Renal and Metabolic Disorders
  - Respiratory Disorders
  - Neurological Disorders
  - Infectious Diseases (HIV, TB, Sexually Transmitted Infections and Others)
  - Hematologic Disorders
  - Sleep Disorders
  - Acute Traumatic Injuries
  - Rehabilitation From Traumatic Brain Injuries and Spinal Cord Injuries
  - Terminal Illness, Palliative medicine and End-of-Life Issues
  - Endocrine and Reproductive Disorders

Section III: SPECIAL POPULATIONS AND TOPICS

Session 17: Pregnancy and Women’s Health
- Heritability of Risk for Addiction
- Epigenetic Phenomena Related to Addiction
- Genetic Predictors of Treatment Response
- Special Populations:
  - Women
  - Pregnant Women and Newborns
- Pharmacologic and Non-Pharmacologic Intervention for Neonatal Intoxication and Withdrawal for Opioids and Sedatives
- Management of Adverse Impact and Long-Term Consequences of Alcohol on the Fetus
- Obstetrical Complications and Pregnancy-Related Disorders and Complications
- Drug Exposure, Including Fetal Alcohol Spectrum Disorders
- Cognitive and Behavioral Diagnoses Secondary to In-Utero Alcohol and Drug Exposure

Session 18: Adolescents, Young Adults, & the Elderly
- Special Populations:
  - Injury/Trauma
  - The Elderly
  - Adolescents and Young Adults
  - Families With Alcohol and Other Drug Using Members (Including Children at Risk)
- Adolescent Relapse Prevention

Session 19: Pain and Addiction
- Musculoskeletal and Orthopedic Problems
- Chronic Non-Cancer Pain and Addiction
- Psychological Issues in the Management of Pain
- Non-Opioid Treatments in the Management of Pain
- Opioid Treatments in the Management of Pain
- Legal and Regulatory Considerations in Pain Management

NEW FEATURE! Board Exam Practice Questions
Throughout The ASAM Review Course, Dr. Paul Earley will lead participants through six rounds of specially selected Board Exam Practice Questions using Audience Response technology. Test your knowledge and learn how to work your way through exam questions with the experts. See the complete schedule on page 3 for dates and times.

I am prepared for the exam. This is the best course that I have ever attended!
- 2014 Course Attendee, TX
**Pre-Courses – Wednesday, July 29, 2015**

The ASAM Buprenorphine Waiver Eligibility Course
12:30 pm – 4:45 pm
Additional Fees Apply

The Buprenorphine Course provides physicians with the 8 hours of training required to obtain the DEA waiver to prescribe buprenorphine in office-based treatment of opioid dependence under the Drug Abuse Treatment Act of 2000. The first half of the course is online through 4 hours of independent self-paced learning followed by a competency exam which must be successfully completed as part of the process to obtain a waiver for prescribing buprenorphine. The second half of the course is delivered by national experts in a 4 hour interactive, face to face classroom setting. For more information, visit www.asam.org/reviewcoursebup

The American Society of Addiction Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American Society of Addiction Medicine designates this live activity for a maximum of 8 AMA PRA Category 1 Credit(s)™.

Application has been made for The ASAM Buprenorphine Waiver Course to be an approved CME activity by the American Board of Addiction Medicine (ABAM) for the Maintenance of Certification (MOC) Program for the CME requirement for Part II: Lifelong Learning and Self-Assessment.

**CO*RE/ASAM ER/LA Opioid REMS Course**
5:45 pm – 9:00 pm
FREE - Live or via Webinar

The CO*RE/ASAM ER/LA Opioid REMS course was developed by nationally renowned experts and incorporates all six units defined by the FDA blueprint for REMS education. ASAM also provides a unit addressing opioid use, pain, and addiction. This critical content will be presented through a variety of formats including lecture, case study, interactive audience response activities, and open discussion. For more information, visit www.asam.org/reviewcoursereems

The American Society of Addiction Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American Society of Addiction Medicine designates this live activity for a maximum of 3 AMA PRA Category 1 Credit(s)™.

This course has been designated as an approved CME Activity by the American Board of Addiction Medicine (ABAM). Physicians enrolled in the ABAM Maintenance of Certification (MOC) Program can apply a maximum of 3 AMA PRA Category 1 Credit(s)™ to the CME requirement for Part II: Lifelong Learning and Self-Assessment.

*NOTE:* These courses are separate from The ASAM Review Course. Separate registration and fees apply.

---

**Tools and Resources**

The ASAM Principles of Addiction Medicine, Fifth Edition, is the basic reference text for the Review Course. Speakers will refer to and draw from this text often as part of their presentations. Copies also will be available for purchase at the Review Course.

In addition, The ASAM Essentials of Addiction Medicine, Second Edition, is a quick reference book on virtually all addiction medicine topics. Both books are great study tools for the ABAM Certification Examination. As a supplement to the books, participants will receive a printed syllabus onsite at the course.

Visit www.lww.com to purchase your copy of these valuable texts now or call 1-800-638-3030.
Cancellation policy: A $150 cancellation fee will apply to all cancellations received through Monday, June 29, 2015. There will be no refunds on cancellations received after Monday, June 29, 2015. All cancellations must be made in writing and sent to: ASAM Meetings Department, 4601 North Park Avenue, Suite #101, Chevy Chase, MD, 20815. Questions: 301-656-3920 or meetings@asam.org.

Refund procedure: Refunds will be processed after the conference. If payment is made by credit card, the adjustment will be made to your credit card account; otherwise a refund check will be issued. All refunds will be processed four to six weeks after the conference.
